Heather Thomas Van Deren Delivers Surprise Christmas Gem, Simply Titled: “Christmas”

Singer-songwriter, public speaker, and TV personality [Heather Thomas Van Deren](#) of Millsap, Texas, is releasing an unexpected and highly welcomed 5-song EP “just in time” for Christmas. The extended-play album, titled “Christmas”, is filled with faith-based inspirational gems, presented in the Christian Country style. This EP includes two of Heather's favorite Christmas classics, one original tune penned by a very talented Canadian Songwriter, and two rarely heard cover songs that remind us why we celebrate the holiday.

Van Deren is a talented woman who has sung and preached God's message in venues ranging from traditional and cowboy churches, to festivals and arena concerts. Her warm, sincere voice beautifully adorns these songs, which were fully produced at SG Studios using some of the most sought-after musicians in the industry.

Heather's silky voice provides a beautiful rendition of “What Child Is This”, and “Rockin' Around The Christmas Tree” will make you want to get up and dance. The original “It's The Season” is sure to become a new Christmas favorite.

“Christmas” is Heather's second release this year. In May, her album “Just In Time” was released....a wonderful collection, beautifully presented and arranged with Country flair.

Heather and her husband live on a farm where they raise registered Black Angus cattle. Music and country living is her way of life, and her love for the Lord is the center of it all! Give this Texas country gal a listen!
